

# Suffered The Agony Of a Dozen Deaths

Prominent Farmer in Canada Describes His Recovery and Escape from the Operating Table.

Mr. F. Gifford, PHOTO BY GILL.

In a letter to friends at Saskatoon, Mr. F. Gifford, of the Ball Rock Farm, Maymont, Saskatchewan, Canada says: "Thanks to Fruitola and Traxo I am alive. I lay on my back for sixteen days, suffering the agonies of a dozen deaths. I began taking Fruitola and was relieved of a great many gall-stones. My health is now fully restored.

Fruitola possesses properties that act directly upon the intestinal parts. It is a great system cleanser, softening the congested waste and disintegrating the hardened particles that cause so much suffering, and quickly expels the accumulation to the great relief of the patient. Traxo is a tonic-alterative that acts on the liver and kidneys, stimulates the flow of gastric juices to aid digestion and removes bile from the general circulation. It serves to build up and strengthen the weakened, run-down system.

Fruitola and Traxo are prepared in the Pinus laboratories at Monticello, Ill., and arrangements have been made to supply them through representative druggists. In Anderson they can be obtained at Evans' Pharmacy, Three Stores.

## GOOD POSITIONS OPEN IN CIVIL SERVICE

The United States Civil Service commission announces an open competitive examination for stenographer and typewriter, for both men and women, on December 7, 1915, at the places mentioned below. From the register of eligibles resulting from this examination certification will be made to fill the vacancies in this position mentioned, and vacancies in positions requiring similar qualifications as they may occur in the federal service in the states in which this examination is held, unless it is found to be in the interest of the service to fill any vacancy by reinstatement, transfer or promotion.

- The following are the places at which the examination will be held in South Carolina—Anderson, Charleston, Chester, Columbia, Florence, Georgetown, Greenville, Greenwood, Newberry, Orangeburg, Spartanburg, Sumter.

**CALOMEL WHEN BILIOUS? NO! STOP! MAKES YOU SICK AND SALIVATES**

**"Dodson's Liver Tonic" Is Harmless To Clean Your Sluggish Liver and Bowels.**

Ugh! Calomel makes you sick. It's horrible! Take a dose of the dangerous drug tonight and tomorrow you may lose a day's work.

Calomel is mercury or quicksilver which causes necrosis of the bones. Calomel when it comes into contact with your bile, crashes into it, breaking it up. This is what you feel that awful nausea and cramping. If you are sluggish and "all knuckled out," if your liver is torpid and bowels constipated or you have headache, dizziness, coated tongue, if breath is bad or stomach sour, just try a spoonful of harmless Dodson's Liver Tonic tonight on my guarantee.

Here's my guarantee—Go to any drug store and get a 50 cent bottle of Dodson's Liver Tonic. Take a spoonful and if it doesn't straighten you right up and make you feel fine and vigorous I want you to go back to the store and get your money. Dodson's Liver Tonic is destroying the sale of calomel because it is real liver medicine; entirely vegetable, therefore it can not salivate or make you sick.

I guarantee that one spoonful of Dodson's Liver Tonic will clean your sluggish liver to work and clean your bowels of that sour bile and constipated waste which is clogging your system and making you feel miserable. I guarantee that a bottle of Dodson's Liver Tonic will keep your entire family feeling fine for months. Give it to your children. It is harmless; doesn't grip and they like its pleasant taste.

## FISH DYNAMITER WAS KILLED BY THE BLAST

Columbia, Nov. 11.—Alfred A. Richardson, chief game warden, said yesterday: "P. H. Grumble, game warden from Clarendon county, has been in to see me relative to some dynamite cases in his county. According to Mr. Grumble's statement, three negroes named Dickson and another negro named Tom Brown went to Cudde Lake, near Davis station, November 1 and were dynamiting the lake for the purpose of taking fish. It seems that one of the negroes, Freddie Dickson, was handling the dynamite and either cut his face too short or the fuse was defective. At any rate the dynamite exploded prematurely, killing Fraser. None of the other negroes was injured. Game Warden Grumble immediately got on the job, with the result that Tom Brown and the other two Dicksons have been placed in jail, charged with violating section 757 of the criminal code of 1912, which section imposes a penalty of \$500 for dynamiting any of the streams, lake or waters of the state for the purpose of taking fish.

**A Minority Leader.**  
One of the most gratifying evidences that the country is really aroused to the necessity of National defense is to be found in the form of Claude Kitchin's refusal to support the views of the president. "Of course," he is quoted as saying, "I shall not attempt to oppose the program as the majority leader, but merely in my personal capacity."  
This announcement shows Mr. Kitchin possessed of more common sense than one would judge from his peculiar views on the greatest of our national problems. He sees the handwriting on the wall. He has heard the voice of the people. He knows that if he, as senior member and chairman of the ways and means committee, should attempt to stand in the way of the will of the great majority of Americans of all parties, public sentiment would demand that he be deposed as majority leader.  
There are some others who would do well to profit by Mr. Kitchin's caution.—Richmond News Leader.

## ESCAPED FROM GANG THOUGHT HE WAS SAFE

Will Smith a negro at work on the street car track paving was arrested yesterday morning by the sheriff and deputy and taken to jail. He is charged with escaping from the chain-gang at the city of Honea Path.  
Smith was at work on the chain-gang in Honea Path serving a short sentence for a misdemeanor and last week he escaped from the gang. He was followed about for a short while, and then track was lost of him. Later it was picked up again and he was traced to Anderson. He came to Anderson on Monday and enlisted in the street car track work, being given a job at once. He worked here until yesterday when the sheriff received word to arrest him.  
After the arrest Smith calmly told the officers just how things were and stated that he had escaped from the gang, and that he thought it was safe here in Anderson. He was taken back to Honea Path Thursday afternoon and will begin his sentence over again today.

**Resourceful Woman.**  
Custom could not state Cleopatra's wonderful variety and the long expected "robber under the bed" could not balk a certain Asheville house-keeper's resourcefulness in emergency. Sweeping her room the other morning and, as any good house-keeper should, starting to sweep carefully under the bed, behind, there suddenly materialized before her very eyes the long mythical under-the-bed burglar in the guise of a husky young negro, who at once threatened dire results if she dared to "holer."  
Without hat-pin, biscuit roller or flat-iron, she was nevertheless equal to the occasion. She promptly broke her broom-handle on the negro's head. She might as well have struck on iron gate post. So then she raised the hue and cry as only a woman can do. This did the work. He fled.  
In a trice, so the record says, several women, a number of neighboring dogs, a passing deliveryman and 50 on were in full cry on the fugitive trail. Solemnly the record concludes with the fact that he "has not yet been apprehended." Nor is he likely to be after all that, for the performance left nothing to be desired, not even a policeman.—Spartanburg Herald.

**Concedes Stanley's Election.**  
Louisville, Nov. 11.—Edwin P. Morrow, Republican candidate for governor, tonight conceded the election of A. Stanley, Democrat. Morrow said he would not contest the election.

## DARKEN GRAY HAIR, LOOK YOUNG, PRETTY

Sage Tea and Sulphur Darkens So Naturally that Nobody can tell.

Almost everyone knows that Sage Tea and Sulphur, properly compounded, brings back the natural color and lustre to the hair when faded, streaked or gray; also ends dandruff, itching scalp and stops falling hair. Years ago the only way to get this mixture was to make it at home, which is messy and troublesome.  
Nowadays we simply ask at any drug store for "Wyeth's Sage and Sulphur Compound." You will get a large bottle for about 50 cents. Everybody uses this old, famous recipe, because no one can possibly tell that you darkened your hair; as it does it so naturally and evenly. You dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, and after another application or two, your hair becomes beautifully dark, thick and wavy.
